

Wellness Procedure Consent Form (Spay & Neuter)

Date _____

(PLACE PATIENT INFO LABEL HERE)

I hereby consent and authorize Lifetime Pet Center of New Richmond to prescribe for, treat, or operate upon:

I have been advised to the risks associated with treatments and/or surgery. It is thoroughly understood that I assume all risks and will take responsibility for payment of services rendered.

The Lifetime Pet Center of New Richmond will use all reasonable precautions against injury, theft, escape, or destruction of the animal(s), but will not be held responsible in any manner whatsoever on account of the care, treatment, or safekeeping of the animal(s) above described, as long as acceptable procedures of veterinary medicine have been followed.

It is also noted that my pet will be vaccinated if medically necessary or if recommended by the prescribing doctor in order to protect the safety of my pet and the staff handling my pet. In addition, if my pet is found to have fleas or other parasites while in the hospital, s/he will be treated accordingly as seen fit by the doctor and staff. Please notify us if your pet has any allergies or drug sensitivities.

After reading the above, I have signed to acknowledge receipt and understanding.

Does your pet have any known allergies? _____ Procedure being admitted for: _____

Your pet is undergoing surgery today. We may discover additional conditions about your pet while s/he is under anesthesia, which can incur additional charges. These may include: pregnancy, heat cycle, cryptorchid (undescended testicle), tumors, hernia, etc.

Please indicate how you would like us to handle these situations should they occur:

- Do the procedure regardless of cost.
- Call with estimate for additional charges. If we are unable to reach you:
 - Do the procedure.
 - Do not do the procedure.

Additional procedures/ treatments that we can perform while your pet is under anesthesia:

- | | |
