

Boarding Consent Form

The staff and doctors at the Lifetime Pet Center would like to take this time to thank you for choosing our facility to board your animal while you are out of town. We want you to know that your animal will be safe and well cared for at this facility.

While your animal is in our care, permission must be given to treat said animal in case of an emergency. You will be responsible for the services financially.

Although we do not anticipate a problem while boarding your pet, we are not responsible for unknown, life-threatening conditions.

All animals must be up to date on required vaccinations in order to board at this facility. Written proof of current vaccine history is required at time of check-in. We also recommend your pet be current on flea prevention before boarding. In the event your pet is found to have fleas they will be treated in house with one of our monthly preventions.

SIGNATURE OF OWNER _____

EMERGENCY PHONE # _____

EMAIL ADDRESS (We post photos on Facebook,
you can check on your pet while out of town!)

SIGNATURE OF PERSONNEL ADMITTING _____ DATE _____

When was the last time your pet ate? _____
